Home Page

Once you have successfully logged into the eCampus, your **Home Page** will be displayed. Any courses you have been enrolled in will be shown on this page. Click on your course name to view and work in it.
Typically, the page layout of your course will have the following sections.

1. **Primary tabs** – Click this to go to your home page, also contains help for students and staff.
2. **Site Menu navigation block** – Takes you to your home page, allows you to upload a picture, and change your password. You can also view any posts you have made. Check your calendar, email and messages.
3. **My Enrolments block** – Shows when courses are open and when they will close.
4. **Login information** – Click to logout.
5. **Toggle layout** – Enables you to dock and undock your blocks so you can adjust your screen area.
6. **Message area** - Displays any messages from your lecturer.
7. **Maintenance message area** – Displays messages regarding the eCampus online system.
8. **My Courses information** – Displays the list of courses you are enrolled.
Primary Tabs
There are three tabs located at the top of your page.

Home: takes you to your Home Page
Student Help: Provides information for students on:
  • Getting Started
  • Student Email
  • Online Study Tips
  • Frequently Asked Questions
  • Additional Resources
  • Support Services
  • Questions & Feedback.
Staff Help: Provides lecturer information.

Site Menu navigation block
The Site Menu block helps you to navigate quickly back to your Home Page. Clicking on will take you directly to your Home Page.

It also contains links to:
  • My Calendar – shows any special dates you or your lecturer adds. Pick the month heading to edit. Select [New event] to add an item.
  • My Profile – you can edit your profile, upload a picture and reset your password.
  • My Email – you can check your email.
  • My Messages – view recent notifications and conversations you have made and check for any messages.
My Enrolments block
Displays dates when your course/s commence and their end dates.

Login Information
Your name will be displayed here when you login. Click to logout.

Toggle layout
The toggle layout button allows you to dock the blocks to the far left side of your screen. This allows for greater readability of information on the screen. By clicking the toggle layout button, you can dock and undock all blocks at once.

Message
A notification appears if there are messages to be read.
Maintenance Message
Located beneath the message area, the maintenance message will post a notification if the eCampus will be unavailable to login.

My Courses
The course/s in which you are enrolled, will be listed under My courses.
To access the course, click on the course name.

<table>
<thead>
<tr>
<th>My courses</th>
</tr>
</thead>
<tbody>
<tr>
<td>Teacher Nat Training Course</td>
</tr>
<tr>
<td>Teacher: Teacher Nat</td>
</tr>
<tr>
<td>Teacher: Natalie Polk</td>
</tr>
</tbody>
</table>

Breadcrumbs – what do they do?
Breadcrumbs help you navigate around your course. They are located at the very top and bottom of your course content. They show you the route you took to reach this page (e.g. My home > Teacher Nat Training Course > Topic 4 > Moodle Tutorial). Words that are underlined are hyperlinks, and clicking them will take you either back to My home or to the first page or intermediate page you are viewing.
Blocks

Your Home page is made up of blocks, which you can dock and undock. By clicking on the located in the corner of each block, you can move the blocks individually to the left side of the screen and give yourself a better viewing area for your course. Alternatively you can use the Toggle layout button (see Toggle layout) which will dock and undock ALL blocks at once.

For example: Before docking blocks
After docking all the blocks

Note: the screen area for the topic is uncluttered and easier to read.
In docked view the blocks can still be used. By moving your mouse pointer over them you will see them appear as a menu which you can select.
